47 2. Assist the state team in collecting relevant data.

1 3. Submit written reports to the state team as directed by that
2 team. These reports shall include nonidentifying information on
3 individual cases and steps taken by the local team to implement necessary
4 changes and improve the coordination of services and investigations.

5 Sec. 5. Section 36-3503, Arizona Revised Statutes, is amended to
6 read:

7 36-3503. Access to information; confidentiality; violation;
8 classification

9 A. On request of the chairperson of the state or a local child
10 fatality review team OR THE MATERNAL MORTALITY REVIEW PROGRAM and as
11 necessary to carry out the team's OR PROGRAM'S duties, the chairperson
12 shall be provided within five days excluding weekends and holidays with
13 access to all information and records regarding a child whose fatality or
14 near fatality is being reviewed by the team, or information and records
15 regarding the child's family and records of a maternal fatality associated
16 with pregnancy pursuant to section ~~36-3501, subsection C~~ 36-3501.01 [★]:

17 1. From a person or institution providing medical, dental, nursing
18 or mental health care.

19 2. From this state or a political subdivision of this state that
20 might assist a team OR PROGRAM to review a child fatality or near fatality
21 OR A CASE OF MATERNAL MORTALITY.

22 B. A law enforcement agency with the approval of the prosecuting
23 attorney may withhold from release pursuant to subsection A of this
24 section any investigative records that might interfere with a pending
25 criminal investigation or prosecution.

26 C. The director of the department of health services or the
27 director's designee may apply to the superior court for a subpoena as
28 necessary to compel the production of books, records, documents and other
29 evidence related to a team investigation. Subpoenas issued shall be
30 served and, on application to the court by the director or the director's
31 designee, enforced in the manner provided by law for the service and
32 enforcement of subpoenas. A law enforcement agency is not required to
33 produce the information requested under the subpoena if the subpoenaed
34 evidence relates to a pending criminal investigation or prosecution. All
35 records shall be returned to the agency or organization on completion of
36 the review. Written reports or records containing identifying information
37 shall not be kept by the team.

38 D. All information and records acquired by the state team, any
39 local team or a program are confidential and are not subject to subpoena,
40 discovery or introduction into evidence in any civil or criminal
41 proceedings, except that information, documents and records otherwise
42 available from other sources are not immune from subpoena, discovery or
43 introduction into evidence through those sources solely because they were
44 presented to or reviewed by a team or program.

45 E. Members of a team OR PROGRAM, persons attending a team OR
46 PROGRAM meeting and persons who present information to a team OR PROGRAM
47 may not be questioned in any civil or criminal proceedings regarding

1 information presented in or opinions formed as a result of a meeting.
2 This subsection does not prevent a person from testifying to information
3 that is obtained independently of the team OR PROGRAM or that is public
4 information.

5 F. Pursuant to policies adopted by the state child fatality review
6 team or ~~a~~ THE maternal mortality review program, a member of the state or
7 a local child fatality review team or ~~a~~ THE maternal mortality review
8 program, or the member's designee, may contact, interview or obtain
9 information from a close contact or family member of a child or woman who
10 dies within the team's or program's jurisdiction. The state child
11 fatality review team and maternal mortality review program shall establish
12 a process for approving any contact, interview or request before any team
13 or program member or designee contacts, interviews or obtains information
14 from the close contact or family member of a child or woman who dies
15 within the team's or program's jurisdiction. Policies adopted pursuant to
16 this subsection must require that any individual who engages with a family
17 member be trained in trauma informed interview techniques and educated on
18 support services available to the close contact or family member.

19 G. State and local team and program meetings are closed to the
20 public and are not subject to title 38, chapter 3, article 3.1 if the team
21 or program is reviewing individual child fatality cases or cases of
22 maternal fatalities associated with pregnancy. All other team and program
23 meetings are open to the public.

24 H. A person who violates the confidentiality requirements of this
25 section is guilty of a class 2 misdemeanor.
