21 38-766.02. Retired members; return to work; employer
22 contribution payments; exception; definitions

23 A. Notwithstanding section 38-766.01, subsection ~~E~~ F, beginning
24 July 1, 2012, an employer shall pay contributions at an alternate
25 contribution rate on behalf of a retired member who returns to work with
26 an ASRS employer in any capacity in a position ordinarily filled by an
27 employee of the employer or in a position that is similar in duties and
28 responsibilities to that of a position ordinarily filled by an employee of
29 the employer. This subsection applies to a retired member who has reached
30 a normal retirement age or a retired member who retired under section
31 38-758 if the retired member's retirement benefit has not been suspended
32 pursuant to section 38-766.

33 B. The ASRS actuary shall determine the alternate contribution rate
34 in an annual valuation performed as of June 30. For the fiscal year
35 beginning on July 1 of the following calendar year, the valuation shall
36 determine the percentage to be applied to the compensation, gross salary
37 or contract fee of a retired member who meets the requirements of this
38 section.

39 C. The alternate contribution rate shall not be less than two
40 percent in any fiscal year. The alternate contribution rate is equal to
41 the lesser of:

42 1. The employer contribution rate established by the ASRS actuary
43 pursuant to section 38-737 plus the employer contribution rate established
44 by the ASRS actuary pursuant to section 38-797.06.

2 the ASRS actuary pursuant to section 38-737 plus the total past service
3 funding requirement rate established by the ASRS actuary pursuant to
4 section 38-797.06.

5 D. ASRS shall determine the schedule and method of payment of the
6 alternate contribution rate. Subject to section 38-738, subsection A, all
7 contributions made by the employer and allocated to the fund established
8 by section 38-712 are irrevocable and shall be used as benefits under this
9 article or to pay the expenses of ASRS. Payments made pursuant to this
10 section by employers become delinquent after the due date prescribed in
11 the board's rules and thereafter shall be increased by interest from and
12 after that date until payment is received by ASRS. ASRS shall charge
13 interest on the delinquent payments as prescribed in section 38-711. ASRS
14 may recover delinquent payments due under this section, together with
15 interest charges as provided in this section, by action in a court of
16 competent jurisdiction against an employer liable for payments or, at the
17 request of the director, ASRS may deduct the delinquent payments and
18 interest charges from any other monies, including excise revenue taxes,
19 payable to the employer by any department or agency of this state.

20 E. An employer of a retired member shall submit any reports, data,
21 paperwork or materials that are requested by ASRS and that are necessary
22 to determine the compensation, gross salary or contract fee associated
23 with a retired member who returns to work or to determine the function,
24 utilization, efficacy or operation of the return to work program.

25 F. An employer is not required to pay contributions at an alternate
26 contribution rate on behalf of a retired member under subsection A of this
27 section if the retired member returns to work with the employer in a
28 position that is currently filled by an employee of the employer who is an
29 active member and for which the employer is currently required to pay and
30 is paying contributions on behalf of the active member in that same
31 position pursuant to sections 38-736 and 38-737. An employer may pay
32 contributions at an alternate contribution rate for a retired member who
33 meets the requirements for an exemption under this subsection.

34 G. For contributions made pursuant to subsection F of this section
35 beginning July 1, 2019, if ASRS and the employer determine that the
36 alternate contribution rate does not apply to a retired member who returns
37 to work for whom the employer has paid contributions at the alternate
38 contribution rate, the employer may request an employer credit, not
39 including interest, for those contributions within ninety days after the
40 end of the fiscal year in which the contributions were paid. If ASRS
41 determines that an employer credit is not feasible, ASRS shall issue a
42 refund to an employer in a form determined by ASRS.

43 H. For the purposes of this section:

44 1. "Contract fee" means the gross amount paid to a retired member
45 as an independent contractor minus an amount, not to exceed ten percent,
46 for an administrative fee.

2 by a leasing company as salary or wages, including amounts that are
3 subject to deferred compensation or tax shelter agreements, for services
4 rendered or that would have been paid to the retired member except for the
